Duc - Referred Examiner to Class 704 (Tallivadis Ivers Smith).	12/15/03	BWT
Tallivadis Ivers Smith - Discussed Meyers et al (5,715,372) wherein Meyers anticipates independent claim language of "at least one". - For exple, Meyers provides for at least 10 SNR (i.e. measured) to be used as independent input (Col. 5 lines 20-46).	12/15/03	BWT
EAST	12/15/03	BWT
Vijay Chauhan Applicant's independent claim language of "at least one mathematical function" is still vague and not by Meyers reference, (Go Far).	6/9/04	BWT
Mike Upesnick Agreed that independent claim language is vague and could read on anything, including Meyers reference.	6/9/04	BWT
